## TRIVIA TEAMS

1. Choose a table for your team. Note the table number. This number will be your team number. **ONLY** team members at the table during play.
2. The slips of paper you were given are your answer slips. Note on each slip of paper your team number and the category being played. Each category will be announced at the beginning of the play. Make sure the slip number matches the question number when given.
3. The number of each question will be given at the time of the question to eliminate confusion (hopefully). If at any point there is some confusion or a question, please raise your hand so it can be straightened out as soon as possible.
4. The questions will be repeated at least twice. More if necessary.
5. Teams will have 30 seconds to decide on an answer. Write the answer on the answer slip and have a team member raise their hand...wave if necessary. **NO CELL PHONE USE ALLOWED.**
6. Someone will pick up your answer and deposit it to be tallied. Answers will not be picked up after the time limit. Sorry, but pressure is part of the fun!
7. The answers will be tallied and scored for the end of each round. Scores will be posted on the score board. No one will see your answer, just your score.
8. The answers will be given at the end of round.
9. No answer disputes with the tally person permitted.
10. Most importantly, HAVE FUN!!!! 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> place prizes.
